Solutions Third Edition

Unit 9 Short Test 2A

Grammar

1 Rewrite the numbered sentences in the film review, replacing the underlined words with participle clauses.

Film of the week: *Dark Sun Rising*

[1]*Dark Sun Rising*, which is directed by Sylvia Cranton, is set in the year 2250. [2]Scientists, who are working for the government, have found a way to travel across space and time. [3]But the discovery has a dark side, which is hidden from the astronauts. Astronaut Jessica Swimfall has discovered their terrible secret. [4]She watches the people on her spaceship as they disappear one by one. [5]Her fight to find the truth and save herself will take her across space and time to a new world, which is full of terror.
