Hello! I'm Amy and I'm 12. I live in Ohio in the US. I'm into music, especially pop music. My favourite singer is Taylor Swift. I like acting and I go to a drama club every Friday after school. My best friend is Marley, my dog. Marley is the name of the dog in my favourite film *Marley & Me*. I also have two cats – Billy and Toby. What about you? Are you interested in music and films?

Hi! My name is Zhang. I'm from Melbourne in Australia. My parents aren't from Australia. They're Chinese. I'm into football. Football in Australia isn't British or American football. It's a different game. I'm a big fan of the Crows. They aren't from Melbourne. They're from Adelaide. They're number one in the league now. Are you interested in the same things?
