Canadian Slang

Welcome to Canada, eh?

Eh (pronounced "ey", as in "hey" or "hay") is a word you add to the end of a sentence to ask for a response of agreement or disagreement, similar in meaning to "don't you think?", or "right?" (ex. "Looks like a storm comin' in, eh?"). It is also sometimes used with "I know", and in that case it doesn't really mean anything. ("Wow, the Calgary Flames really kicked butt tonight!" -"I know, eh?").
