Tristan LaCruze is presenting his new summer collection. His first model is wearing green cotton (bombažne) trousers with a long white \_\_\_\_\_ (poliester) shirt. Round her neck she has a \_\_\_\_\_ (svilen) scarf. She is also wearing a \_\_\_\_\_ (volnen) jumper and a pair of \_\_\_\_\_ (gumijasti) boots. OK in the rain, but not ideal in hot weather! Her earrings and necklace are very modern. They are made of \_\_\_\_\_ (steklo) and \_\_\_\_\_ (jeklo). She is also wearing a \_\_\_\_\_ (zlat) ring with a large diamond. She is carrying a yellow and green bag. It is made of \_\_\_\_\_ (plastika) and it looks very cheap! This is definitely not LaCruze's best collection!
