

# Love story

Taylor Swift

We both young when I first met you

I close my eyes, and the flashback starts

I'm standing there

On a balcony in summer air

See the lights, see the party, the ball gowns

See you make your way through the crowd

And say, "Hello". Little did I know

That you were Romeo, you were throwing pebbles

And my daddy said, "Stay away from Juliet"

And I was on the staircase

Begging you, "Please, don't go!" and I

## Chorus

"Romeo, take me somewhere we can be alone

I'll be waiting, all there's left to do is run

You'll be the prince and I'll be the princess

It's a love story baby just say yes"

So I sneak out to the garden to see you

We keep quiet, 'cause we're dead if they

So close your eyes

Escape this town for a little while

'Cause you          Romeo, I          a scarlet letter

And my daddy          , "Stay away from Juliet"

But you          everything to me

I          you "Please, don't go!" and I

### **Repeat chorus**

Romeo, save me, they're trying to tell me how to feel

This love is difficult, but it's real

Don't be afraid, we'll make it out of this mess

It's a love story baby just say "Yes"

I          tired of waiting

Wondering if you were ever coming around

My faith in you

When I          you on the outskirts of town, and I

"Romeo, save me. I've been feeling so alone.

I keep waiting for you but you never come.

Is this in my head? I don't know what to think"

He          to the ground and          out a ring

And          "Marry me, Juliet.

You'll never have to be alone. I love you and that's all I really know

I            to your dad, go pick out a white dress

It's a love story baby just say "Yes"

Because we            both young when I first            you.
