What makes things move?
Reading 1

Number the events in the correct order:

- ( ) Black Goat moved to West Moutain.
- ( ) Black Goat and Brown Goat got wet.
- ( ) Two stubborn little goats lived on East Mountain.
- ( ) The goats pushed each other on East Mountain.
- ( ) Brown Goat got up late.
- ( ) The goats pushed each other on the bridge.

Answer the questions:

1. Why didn't Black Goat and Brown Goat get along?

2. Why didn't the goats move when they pushed each other?

3. What would you do if you were one of the goats?
