V/ Read the passage and decide whether the statements are True (T) or False (F).

Community service is when you work for free to help benefit the public or your community. Usually, students who choose to do community service do so as volunteers, meaning that they choose to help out because they want to do so. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others.

You probably know some students In your school who choose to volunteer their free time through community service. There are many ways that you can do this, such as joining a non-profit organization, working with a church group, or you can choose a cause and create your own service project.

Volunteer work can range from the relatively simple, like helping coach the football team at your old junior high, to the much more complex, like starting a non-profit that helps homeless people in your area.

True or False:

1. Students often do community service as volunteers. …….

2. Community service allows them to improve the quality of life of others. …….

3. No students choose to volunteer their free time through community service. …….

4. Joining a non-profit organization is the only way to do community service. …….

5. There are many types of volunteer work, both simple and complex ones. …….
