Past Perfect or Past Perfect Continuous?

I'm sorry I left without you last night, but I told you to meet me early because the movie started at 8:00. I (try) to get tickets for that movie for weeks, and I didn't want to miss it. By the time I finally left the restaurant where we were supposed to meet, I (have) five cups of coffee and I (wait) over an hour. I had to leave because I (arrange) to meet Jenny in front of the movie theater.

When I arrived at the theater, Jenny (pick, already) up the tickets and she was waiting for us near the entrance. She was upset because she (wait) for more than half an hour. She said she (give, almost) up and (go) inside without us.

Jenny told me you (be) late a lot in the past and that she would not make plans with you again in the future. She mentioned that she (miss) several movies because of your late arrivals. I think you owe us both an apology. And in the future, I suggest you be on time!
