IT ISN'T EASY BEING PARENTS

We try to be good parents, but no matter how hard we try, our children never seem to be satisfied. They think we should be better parents. They think we should wear more fashionable clothes, we should drive a newer car, and we should listen to more interesting music. And according to them, we should be more sympathetic when they talk about their problems, we should be friendlier when their friends come to visit, and we should be more understanding when they come home late on Saturday night.
