PC Game Review

'Changing Worlds 1' and 'Changing Worlds 2'

by Peter Hardy

First of all, I had never played 'Changing Worlds 1' before I played 'Changing Worlds 2'. I only got CW1 (that's 'Changing Worlds 1' for short ...) just to see if it was ¹ as boring as CW2 but I was pleasantly surprised. CW1 was ² than CW2. The characters were ³ and the adventures ⁴ than in CW2. CW1 also has ⁵ features I have ever seen in a game: you can make the hero look exactly like you! I just wonder why they didn't use this in CW2. I wouldn't go so far as to say that CW2 is the ⁶ game I have ever played, but it certainly comes close! One final word; although the graphics in CW1 aren't ⁷ in CW2, it still is ⁸ game.

- | | | |
|---------------------|------------------------|--------------------|
| 1 a more boring | b boring | <u>c as boring</u> |
| 2 a far interesting | b far more interesting | c much interesting |
| 3 a more realistic | b most realistic | c much realistic |
| 4 a more exciting | b not so exciting | c as exciting |
| 5 a much better | b the far better | c the best |
| 6 a far most boring | b most boring | c not so boring |
| 7 a so advanced as | b as advanced | c more advanced |
| 8 a the much better | b the better | c a far better |
