

KEEPING COUNT WITH TALLY MARKS.

Tally marks help keep count.
You can make one tally mark
for each thing you count.

If you counted three things, the tally
marks would look like this: |||

When you count 5 things, the fifth
tally mark goes across like this: |||||

When you count 6, you start a new group of marks: ||||| I

Count these tally marks. Write the number on the blank.
