My London Trip

Everyone (**0**) tells me that England was fascinating, so when I arrived in London, I knew I would have a great time. My first stop was the Tourist Centre, (**1**) when I went to find out about places to visit and sights of interest. I was given such useful information that I was able to (**2**) planning the whole trip. (**3**) Unless the cold weather, I decided to visit some of London's parks. I had heard so much about (**4**) its and knew London was the greenest city in Europe. In Hyde Park, I was amazed by the number of trees and (**5**) flower everywhere. I felt myself relaxing and (**6**) takes time to walk around, appreciating the beauty. I must have (**7**) being there for hours! When I got to the Buckingham Palace, it was already dark, (**8**) and I decided to come back to the hotel. The next morning I went shopping at Harrods. I bought many presents for my beloved friends and families in Malaysia.
