

Lord Liability

Baby really _____ me, crying in the taxi
He don't wanna know me
Says he _____ the big mistake of dancing in my storm
Says it was poison

So I guess I'll go home
Into the arms of the girl that I love
The only love I haven't _____
She's so hard to please, but she's a forest fire

I do my best to _____ her demands, play at romance, we slow dance
In the living room, but all that a stranger _____ see
Is one girl swaying alone, stroking her cheek

They say, "You're a little much for me
You're a _____
You're a little much for me"
So they pull back, make other plans
I understand, I'm a liability
Get you wild, make you _____
I'm a little much for e-a-na-na-na, everyone

The truth is I am a toy that people _____
'Til all of the tricks don't work anymore
And then they are _____ of me
I know that it's _____ running through the night, but
Every perfect summer's eating me alive until you're gone
Better on my own

They say, "You're a little much for me
You're a liability
You're a little much for me"
So they pull back, make other plans
I _____, I'm a liability
Get you wild, make you leave
I'm a little much for e-a-na-na-na, everyone
