time. To practise speaking, I often talk with my friends. I also like reading books. I often read English comic books to learn to read. When I come across a new word, I always try to guess its meaning. Sometimes, I write new words on some pieces of paper and stick them on the wall. I have two pen friends, Min Hye and Mike. They are good at English. Min Hye often watches cartoons on TV to learn English. Mike writes emails to me everyday. We often chat with each other on the internet. We are happy because we can understand each other. English is very important and necessary for communication.
