

# One-Syllable Adjectives That Compare

The Albertosaurus  
Mystery

Grammar:  
Adjectives That Compare

- Add *-er* to most **adjectives** that have one syllable.
- For adjectives with one syllable that end in a single vowel followed by a consonant, double the last consonant and then add *-er*.

Are the Badlands hotter than a desert?

### Thinking Questions

*Does the adjective have only one syllable?  
Does it end in a single vowel followed by a consonant?*

Write the correct form of the adjective that compares two nouns.

1. fresh \_\_\_\_\_
2. green \_\_\_\_\_
