But one day she was walking home from class, and a student smiled at her. "Hello Lucia!" said the student. "I'm not Lucia," said Mary.

This happened to Mary again and again. People Mary didn't know kept calling her Lucia. It was very strange. One day, when a woman called her Lucia, Mary asked "Why do you keep calling me Lucia?" The woman replied, "You look like my friend Lucia. You have the same face and the same hair. Is Lucia your sister?" Mary said that she did not have a sister called Lucia. But she was interested in this girl who looked like her. Finally she asked someone for Lucia's email address.

When Mary wrote to Lucia, she found out that they both had the same birthday, they looked the same and both of them were from Mexico. When Mary went to live with the family in Manhattan, Lucia moved to Long Island to live with a family there. It had to be true! Mary and Lucia were twin sisters!
