

Take me to church

HOZIER

I was born sick, but I love it
Command me to be well
A-, Amen, Amen, Amen

If the Heavens ever did speak
She's the last true mouthpiece
Every Sunday's getting more bleak
A fresh poison each week

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life (x2)

No masters or kings when the ritual begins
There is no sweeter innocence than our gentle sin
In the madness and soil of that sad earthly scene
Only then I am human
Only then I am clean
Oh, oh, Amen, Amen, Amen

If I'm a pagan of the good times
My lover's the sunlight
To keep the Goddess on my side
She demands a sacrifice

My lover's got humor
She's the giggle at a funeral
Knows everybody's disapproval
I should've worshiped her sooner

"We were born sick", you heard them say it
My church offers no absolutes
She tells me, "Worship in the bedroom"
The only Heaven I'll be sent to
Is when I'm alone with you

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins so you can sharpen your knife
Offer me my deathless death
Good God, let me give you my life (x2)

That looks tasty
That looks plenty
This is hungry work

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Good God, let me give you my life (x2)

Drain the whole sea
Get something shiny
Something meaty for the main course
That's a fine looking high horse
What you got in the stable?
We've a lot of starving faithful
