## LIFE IN THE CITY

And if the city's \_\_\_\_\_ rise over this island  
Would you be glad to \_\_\_\_\_ Manhattan for once?  
I knew the \_\_\_\_\_, it died, JMZ line, Myrtle, and Broadway  
But I'd be glad to see \_\_\_\_\_ for once

Woah woah, living life in the \_\_\_\_\_  
Woah woah, it will never be \_\_\_\_\_, oh, oh  
Woah woah, we can \_\_\_\_\_ if we make it  
Woah woah, we won't let 'em  
They won't take it from me, no, oh, oh, woah

And if you \_\_\_\_\_, don't leave me all alone  
'Cause I'll be scared, I'll be naked, I'll get \_\_\_\_\_  
And I miss my dad and Cleopatra sitting on a \_\_\_\_\_  
So take me back off these \_\_\_\_\_ and we'll never be apart  
Together from the start  
Never, never falling back alone
