

## UNIT 4 ON THE PHONE (Deneme-3)

Put the sentences in the correct order.

- I. OK. He will be here soon. Bye!
- II. I'm sorry, he isn't in the office.
- III. Hello, Mary speaking.
- IV. Would you like to leave a message.
- V. Sure. Could you ask him to ring me back in an hour?
- VI. Hi, could I speak to Mike Peyton.

1. Which of the following is the **CORRECT** order given above?

- A) III – IV – II – VI – V – I
- B) VI – III – II – I – IV – V
- C) III – VI – II – IV – V – I
- D) VI – III – I – II – V – IV

Answer the question according to the situation.

Imagine you call your friend Adam. His father answers the phone. He says he is out at that moment. You decide to talk to him when he comes back.

2. What do you say to his dad?

- A) Is Adam there?
- B) OK, I'll call back later in the evening.
- C) May I ask who is calling?
- D) Would you like to leave a message?

Answer the question according to the information.

A: What do you think about communication in public places?

B: Nowadays people are using cell phones everywhere without thinking of others. It's getting a big problem.

3. Why should mobile phone users limit their phone conversations in public places?

- A) In order not to disturb other people.
- B) To communicate in a better way.
- C) So as to leave messages to people.
- D) Because they don't respect others.

Answer the question according to the dialogue.

Linda: How does your mum keep in touch with her friends?

Sally: Well, she doesn't like smartphones and she can't even use them. She likes contacting in person.

Linda: Really? That's strange. My mum is an Internet addict. She uses social networking sites a lot by communicating with her mates.

4. Which picture shows the communication preference of Sally's mum?

Answer the question according to the graph.

This is the graph of a communication survey about teenagers' preferences in their free time.

5. Which sentence can be **CORRECT** according to the survey results?

- A) Nearly half of the teens use instant messages to contact.
- B) Most of the teens use social media.
- C) Texting messages is the least communication preference.
- D) Making phone calls is very popular.

## UNIT 4 ON THE PHONE (Deneme-3)

### Answer the question according to the dialogue.

**Call center:** Hello, Amy speaking. How may I help you?
