

7ET2U1-Don Quixote - Syllabication

Divide each word by putting a slash (/) symbol between each syllable. On the space provided, write how many syllables each word has. Use a dictionary if you're not sure where to divide the syllables.

Syllable is a unit of pronunciation having one vowel sound, with or without surrounding consonants, forming the whole or a part of a word; for example, there are two syllables in water. Wa/ter
