Pam: What's for breakfast, Dad?

Dad: Jam on toast. Can you put the bread in the <sup>1</sup>toaster / blender, please?

Pam: Sure. Do you want me to turn it <sup>2</sup>off / on now?

Dad: No, I can do it in a minute. But you can <sup>3</sup>unplug it / plug it in.

Pam: Done. Can we have some hot chocolate too?

Dad: It isn't a good idea. It's got a lot of sugar in it. But you can have hot milk. Put some milk in the <sup>4</sup>remote control / microwave oven.

Pam: Oh, OK. Dad, can I check something quickly on your computer? It's for my History lesson.

Dad: Yes, but be quick. Breakfast is in five minutes.

*Five minutes later ...*

Pam: Dad! What's that smell?

Dad: There's a problem with the toaster! It didn't turn <sup>5</sup>on / off and the bread is black now.

Pam: Oh no! ... Can I have hot chocolate now?
