Subject: Who is the best student?

Dear principal Thompson

It is the answer to who is the (good) _____ student in my class. Peter does not do homework and his uniform is (untidy) _____ than his classmates because he lives with his older brothers. However, his grades in pop quizzes and evaluations are (good) _____ than Cindy's. Cindy does not have good grades but she is the (polite) _____ girl in the classroom. Her notebooks are (clean) _____ than other guys in the course, and she always does her tasks.

Paula has (bad) _____ grades than Peter and Cindy, but she is the (fast) _____ girl among her partners, even she has won many running competitions. Paula's (good) _____ friend is Simon. He does not run (fast) _____ than her, but he is (confident) _____ than his other classmates to do any exposition. I hope this information could answer the question about who is the best student.

Sincerely
Mary Kindness
