

EXERCISE 10

You are going to talk about things you studied in the past and/or are studying now and what job you are interested in doing. Use the ideas below to help you.

Record your answer. Try to speak for about a minute. Play to hear your answer.

Ideas

- Talk about what subjects you were/are good at.
- Say why you want to do the job.
- Say what other members of your family do for work. Do you think their jobs are interesting?
Why? / Why not?
