The Literature Temple (Van Mieu – Quoc Tu Giam) is the country's first ever historical university. Teenagers often come here to **pray for** high results in their upcoming examinations. As Viet Nam is a Buddhism-oriented nation, its capital has also been the centre of Buddhism for centuries. In Ha Noi alone, there are about 600 temples and pagodas. It also has a big church in the city centre, a popular place for the few Christians living here. With a population of nearly eight million, the city is quite crowded. However, the public transportation is not **adequate**, so visitors find it hard to safely cross the roads. The city is packed with universities and enterprises, making it the top destination for higher education students and labour workers.
