

NATURAL by IMAGINE DRAGONS

Will you hold the -----
When every one of them has ----- and given in? Tell me
In this house of -----
Nothing ever comes ----- a consequence or cost, tell me
Will the stars align?
Will heaven step in? Will it save us from our sin, will it?
'Cause this house of mine ----- strong

That's the price you pay
----- behind your heart and cast away
Just another ----- of today
Rather be the hunter than the prey

And you're standing on the edge face up
'Cause you're a -----
A beating ----- of stone
You gotta be so cold
To make it in this world
Yeah, you're a natural
Living your life cutthroat
You gotta be so cold
Yeah, you're a natural

Will somebody
Let me see the light within the dark trees shadowing?
What's -----?
Looking through the glass find the wrong within the past knowing
Oh, we are the youth
Cut until it ----- inside a world without the peace, face it
A bit of the truth, the truth

That's the price you pay
Leave behind your heart and cast away
Just another product of today
Rather be the hunter than the prey

And you're standing on the edge face up
'Cause you're a natural
A beating heart of stone
You gotta be so cold
To make it in this world
Yeah, you're a natural
Living your life cutthroat
You gotta be so cold
Yeah, you're a natural

Deep ----- me, I'm fading to black, I'm fading
Took an oath by the blood on my hand, won't break it
I can taste it, the end is upon us, I -----
Gonna make it
I'm gonna make it

Natural
A beating heart of stone
You gotta be so cold
To make it in this world

Yeah, you're a natural
Living your life cutthroat
You gotta be so cold
Yeah, you're a natural

Natural Yeah, you're a natural
