

## Unit IV “Ecology” – Lexical Check

Listen to the Russian words and collocations, and give their English equivalents

|    |  | English (separate multiple answers by /slash) |
|----|--|-----------------------------------------------|
| 1  |  |                                               |
| 2  |  |                                               |
| 3  |  |                                               |
| 4  |  |                                               |
| 5  |  |                                               |
| 6  |  |                                               |
| 7  |  |                                               |
| 8  |  |                                               |
| 9  |  |                                               |
| 10 |  |                                               |
| 11 |  |                                               |
| 12 |  |                                               |
| 13 |  |                                               |
| 14 |  |                                               |
| 15 |  |                                               |
| 16 |  |                                               |
| 17 |  |                                               |
| 18 |  |                                               |
| 19 |  |                                               |
| 20 |  |                                               |
| 21 |  |                                               |
| 22 |  |                                               |
| 23 |  |                                               |
