II- (13 – 18) Read the following passage. Decide if the statements from 15 to 18 are True or False, and choose the correct answers (A, B, C or D) for the questions 19 and 20.

These days it is impossible to open a newspaper without reading about the damage we are doing to the environment. The earth is being threatened and the future looks bad. What can each of us do? We cannot clean up polluted rivers and seas overnight. Nor can we stop the disappearance of plants and animals. But we can stop adding to the problem while scientists look for answers.

It may not be easy to change your lifestyle completely but some steps are easy to take: cut down the amount of driving you do, or use as little plastic as possible. We must all make a personal decision to work for the future of our planet if we want to ensure a better world for our grandchildren.

13. The environment is being damaged these days. _____
14. We can hardly clean up polluted rivers and seas quickly _____
15. People should not use so many plastic bags to protect the environment. _____
16. Only our grandchildren are responsible for making our planet better. _____
17. **What is the passage mainly about?**

- A. We should clean up our rivers and seas because they are polluted.
- B. We ought not to stop reading newspaper about the damage we are doing to the environment.
- C. We should stop causing damage to the environment.
- D. We had better use paper or banana leaves to wrap food.

18. Which of the following can be inferred from the passage?

- A. The environment is becoming more and more polluted.
- B. Your lifestyle may be changed completely easily.
- C. The environment is threatening our future.
- D. We can stop the disappearance of plants and animals.
