

**Task:**

Use the simple past and the past progressive to write a dream narrative of your own. Provide details and be descriptive.

You can use the dream narrative from p. 112, 116, or 119 of your R/W book as a reference on how to write your narrative.

Use your imagination if you can't remember a dream you have had recently.

Use at least **5** of the following words and phrases in your narrative:

Alone	Dance	Laughed	Round and round	
Best friend	Fall off	Looked around	Shouted	
Suddenly	There was/were	Amazing	Finally	Woke up

Follow the steps presented below to write your dream.

1. Prepare to write: brainstorm and complete the chat below with notes about your dream.

Setting (place)	People	Events/Actions	Time	Feelings

2. Create a narrative: organize your notes and make sentences about your dream. Remember to make short sentences with a logic sequence of events.
