Short Art Courses

A **Wild Art** This course concentrates on teaching drawing and painting, and you'll use your new skills to make a wall poster on the theme of animals, to take home. And we've got lots of picture books from galleries around the world to give you ideas! There'll be an exhibition of everyone's work at the end, too.

B **Colourscape** Come and make a bag to keep your school games clothes in! We supply lots of colourful wool and printed cotton – you choose the design and colour (like your favourite football or hockey team colours!). There'll also be a trip to a gallery to help you get creative in your designs.

C **Create!** This course is all about telling good stories in pictures. There'll be cartoon films to watch, and instruction in how to draw your favourite characters – but your imagination is much more important than your drawing skills here! The course includes a visit to a cartoon museum.

D **Art Attack** You'll work on developing creative skills, like printing, photography, cartoons and movie-making, using the latest technology. This course is great for anyone wanting to take these subjects at college. Good drawing skills are helpful on this course, and students' work will be put into a book, where suitable, for everyone to buy.

E **Art Matters** This course will concentrate on different drawing techniques, including using inks and colour. We'll get you to draw live models wearing designer fashions and sportswear – so if you like designing fashion and think your future is in this area, then this course is for you!

F **Art Magic** This fun course shows you how to design and make fashion jewellery from natural materials, and particularly how to use photography to help you get ideas for your designs. So if you have your own camera, bring it along!

G **Arts Centre** Ever wondered what your comic stories would look like on film? Here's your chance to find out! Bring along your own comic drawings or prints – good-quality ones if possible – and we'll transfer the action from your page onto the screen! Film show of the best cartoons at the end!

H **Rainbow** Bring along a clean white T-shirt for this fun course! Using printing inks and paints, we'll show you how to transfer a picture onto your T-shirt and create a special artwork that you can put on for everyone to admire!
