LIVEWORKSHEETS

Read the following passage and choose the option (A, B, C or D) that best answers each of the questions below.

Bamboo is popular in Vietnamese culture and daily life, providing protection, and symbolize bravery. Bamboo can be used in any shape or form to assist in the simplest or most complex of functions. Here in Vietnam, and especially in the countryside, bamboo is used for everything- from chopsticks, to chairs, to agricultural tools, to roofs, to instruments and to home decorations.

Bamboo is seen even in Vietnamese dance culture! A series of bamboo sticks are set up in a line, with people holding them in place on either side. Dancers move in and out of the sticks, trying to time their dancing so as not to get caught between the bamboo sticks. Performers typically dance **hand in hand,** slowly making their way sideways along the bamboo line and even the best of dancers always tend to get stuck a few times, resulting in bunches of giggles and loads of smiles.
