

Take a look at the world map and, bearing in mind the changing of the seasons depending on the hemispheres, tell me the season in which you are according to the country and the day of the year:

France:

- 23 June
- 25 March
- 24 September
- 26 December

Autumn

Summer

Winter

Spring

Argentina:

- 23 June
- 25 March
- 24 September
- 26 December

Autumn

Summer

Winter

Spring
