A hobby can be almost anything that a person likes to do in his/her free time. Hobbyists raise pets, watch birds or hunt animals. They also climb the mountains, go fishing, go skating, or go swimming. They also paint pictures, attend concerts and play musical instruments. People have hobbies because these activities bring enjoyment, friendship, knowledge and relaxation. Sometimes, they can bring financial profits. Hobbies can help a person's mental and physical health. Doctors have found that hobbies are useful in helping patients "who" suffer from physical or mental illness. Hobbies give these patients activities to do, and provide interests that prevent them from thinking about themselves.
