

# ITZY "Boys like you"

Listen to the song and fill in the gaps

## Song

Why you calling me up saying "sorry" again?

\_\_\_\_\_ told you we're done, what didn't you get?

Don't forget, you're the \_\_\_\_\_ that tried to get with my friends

\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

## Chorus

Well, you must be going crazy thinking \_\_\_\_\_, I'm sorry

'Cause you're crying like a baby, but \_\_\_\_\_ your mommy?

Take a look into that mirror if you \_\_\_\_\_ why you lost me

Gotta sit down and shut up, you did it to yourself

Boy, gonna \_\_\_\_\_ me? Boy, I'm so \_\_\_\_\_

Boy, gonna miss me, boy, you are \_\_\_\_\_

'Cause I don't \_\_\_\_\_ for boys like you

I don't \_\_\_\_\_ for boys like you

Boy, wanna date me? Boy, outta date, yeah

Boy, wanna- (what? No) boy, \_\_\_\_\_ my way

'Cause I don't \_\_\_\_\_ for boys like you

I don't \_\_\_\_\_ for boys like you

I see through sweet \_\_\_\_\_ lies and every excuse

When you \_\_\_\_\_ every fight, the blame is on you

One red \_\_\_\_\_ and I'm gone, already onto

The next, the next, the next

## Chorus

You can \_\_\_\_\_ your voice, but know that you have no choice  
Don't \_\_\_\_\_ what you do (you)  
You can \_\_\_\_\_ your voice, but know that you have no choice  
Don't \_\_\_\_\_ what you do (you)  
So, turn around, walk away  
You \_\_\_\_\_ your bed, so you gotta lay  
Get out of my way!

**Chorus**
