Objective **Being asked to express opposite opinions, students will be able to write an opinion essay introduction with 90% accuracy.**

You should spend about 10 minutes on this task.

In the education field, schools and teachers consistently play an essential role. Some advocate that teachers should be responsible for their student's low-test scores. Others, on the other hand, claim that pupils' awareness and learning attitude affect their testing performance.

To what extent do you agree or disagree?

Give reasons to your answer and include any relevant examples from your own experience or knowledge.
