

WHAT ARE YOU DOING ON HALLOWEEN?

Read the tasks and match the names with the statements

Tina

I'm too old for trick-or-treating but I still love Halloween. So I have a party at my home. I invite friends over and we have a good time. I decorate the house and my best friend and I make special Halloween treats like caramel apples and popcorn balls. Everyone wears a costume and we listen to music and dance. We even have some games like bobbing for apples. It's great!

Alice

My favorite thing to do on Halloween is to watch a scary movie. I download the latest horror movie and watch it all alone! I turn the lights off in the living room and eat some popcorn - no costume needed! I like these kinds of movies but sometimes I scream out loud when a monster or ghost jumps out. Once I dropped my drink on the rug and my Mom was a bit upset. I am already thinking about what to watch next Halloween!

Louise

My friends and I have an unusual Halloween tradition. We go to a park or a beach and start a bonfire. Then we sit around and tell ghost stories. We roast marshmallows and hot dogs while we enjoy these great tales. Everyone tells a great story. My friends say that my stories are the best. I don't know about that, but I truly enjoy horror narrative. When it's over, we always clean up as best we can because we also respect nature. Happy Halloween!
