

## Daily routines

1. Connect the pictures with the actions:

**Wash my face**

**Comb my hair**

**Brush my teeth**

**Get dressed**

**Have lunch**

**Take a bath**

**Go to bed**

**Read a book**

**Go to sleep**

2. Listen and write the actions (clica a la imatge de l'altaveu):

|                                                                                     |             |                                                                                     |  |
|-------------------------------------------------------------------------------------|-------------|-------------------------------------------------------------------------------------|--|
|  | Go to sleep |  |  |
|  |             |  |  |
|  |             |  |  |
