

Soak Up Some Sun

Like Watching Grass Grow

Head in the Clouds

Fresh as a daisy

Make hay while the sun shines

Burn your boats

Dog Days of Summer

A Fair-Weathered Friend

Beat the heat

Summer fling

In the heat of the moment

A place in the sun

1. you destroy all possible ways of going back to that situation
2. periods of time when nothing seems to happen; the hottest days of the summer
3. to avoid the hit of summer
4. a simple relationship over the summer free of hassle and drama
5. you say or do it without thinking because you are very angry or excited
6. a good or lucky position
7. to lie in the sun and enjoy the sun's rays on your skin
8. to be thinking your own thoughts and not concentrating on what is happening around you
9. to make the most of an opportunity while it lasts
10. is someone who is only your friend when things are good.
11. it is super boring
12. full of energy, very fresh
