So, this one night before the snow / show, I go down to the hotel Figaro

Hanging with the hyenas, havin' a few laughs / loves, and we ran out of zebras, so I ran out to get some

I come back, into the den and there's Zurabi and Mufasa doing Number Seventeen-

the spread eagle / beagle!

Well, I was in such a state of shock / shark, I completely blacked / smacked out. I don't remember a thing.
