Grouping vocabulary

Categorization

Read the words in the box and classify them.

Algebra Economics Band Orchestra Choir Geometry Drama Physics Gymnastics Art History Geography Track Chemistry Dance Calculus Biology Literature Computer studies

Social studies	Music	Science
1. 2. 3.	1. 2. 3.	1. 2. 3.

Mathematics (Math)	Physical Education (P.E)	Other subjects
1. 2. 3.	1. 2. 3.	1. 2. 3. 4.

Part 2 Speaking

Read the expression bellow and answer the question → **What was your best subject?**

1. I took / didn't take…
2. I was good /bad at…
3. I was/ wasn't interested in…
4. I liked/didn't like
5. I hated / I loved

Example : When I was in school I loved art class but I hated math , I was really bad at it and I didn't like the teacher's methodology , or maybe I was not interested in math at all. So my best subject was Art.
