

Home Safety Rules

Study the poster below. Answer the question that follows using the information from the poster.

Do not play with matches/fire

Do not stick sharp objects in the socket

Do not play with sharp objects

Do not climb any furniture such as bookshelves or cupboards

Do not run up and down the stairs

Do not open the door to strangers

Your sister/brother sometimes has to stay at home alone on weekdays.

Based on the poster, send a voice message to your sister/brother about the safety rules at home. Give **three** things she should not do home. It is advisable to use connectors.
