

# Verb To Be

The verb to be (verb to be: am, is, are), translated into Spanish as; **ser o estar** and sometimes to **tener**, is the most important and used verb in the English language, so it is important to know how to use it to learn the language satisfactorily.

1. Order the words forming the corresponding sentence taking into account the tenses of the verb to be.

## Present

A) good friends are They

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------	----------------------

## Simple Past

B) started rain house at was it my to when He

<input type="text"/>					
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>		

2. Listen to the following sentences in the future simple and complete the space.

A) My mom \_\_\_\_\_ home when I get \_\_\_\_\_.

3. Mark with an X the sentence that corresponds to the verb tenses

- A) **Present perfect continuous**
- He is not at home
  - She has been dancing all night
  - He is a nice person
- B) **Past Perfect**
- The girl is playing with her pet
  - Mariana is a naughty girl
  - Anna had been a doctor in the city

4. Match the tenses with the corresponding structure.

- |                                 |  |
|---------------------------------|--|
| <b>Simple Past</b>              | <b>Subject + Am/Are/Is + Complement</b>                  |
| <b>Simple Future</b>            | <b>Subject + Was/Were + Complement</b>                   |
| <b>Past Perfect</b>             | <b>Subject + Will be + Complement</b>                    |
| <b>Present</b>                  | <b>Subject + Have/has been + verb + ing + Complement</b> |
| <b>Present Perfect Continuo</b> | <b>Subject + had been+ past participle + complement</b>  |
