5. Read and choose the best answer:

Nokyo

Nokyo is one of the biggest cities in the country. There is a large airport five miles from the city centre. The railway station is also big, and you can go to anywhere in the country from there. Visitors to the city can learn about the country's history at the museum next to the bus station. Students don't have to pay to get in. There is also a big castle on the top of the hill. A new university is being built in the city centre.

Lester

Lester is a city which doesn't have an airport. It's far from the capital city. There is a railway station but there is only one train to the capital every hour. The train takes four hours. There is a museum, but it is very small and has old cars and buses. Students pay one pound and adults pay two pounds to enter. There is a department store in the centre which has five floors. There is a big restaurant on the fifth floor.

Barmouth

There are many hotels in Barmouth. It is a very popular holiday place. There is a very long beach. You can fly there but the train is much better. There are two lovely old theaters. One of the big universities is in this city and many students live near it. The university is not in the city centre but there is a bus every ten minutes. Tourists stay at the hotels near the beach and the city centre. There is also a castle next to the harbour, right on the beach.
