В англійській мові є **означені** та **неозначені** артиклі. До **неозначених** відносимо артиклі **a /an**. Ми їх використовуємо , коли предмет нам не відомий, коли він стоїть у однині та коли ми хочемо сказати ким або чим є даний об'єкт , або коли хочемо вказати професію.

It is **a** dog.

She is **a** doctor.

Ми **не використовуємо a/an** із іменниками ,які стоять у множині та із тими,які неможливо полічити. Замість артикля із такими словами ми використовуємо **some**.

some eggs

Означений артикль **the** використовується як у множині , так і в однині, коли предмет є означеним.

Наприклад,

I can see a car. **The** car is red.

Тобто, яка саме машина? Червона .

Також ми використовуємо **the** :

Lions are wild animals. (Тобто леви усі взагалі)
- З власними іменами
This is Jane.
