My name is Pablo. I'm eleven years old and I live in the capital of Colombia. I've got one brother. My brother is fourteen and he goes to the same school as me. I get up at 6 o'clock in the morning. I don't eat breakfast because I haven't got time. I just drink a glass of milk. I leave my house at 6:30 because school starts at 7:30. We study in the morning and break time is at 9:30. I often eat a sandwich at break time. School finishes at 11:30, so I come home and have lunch at 1 p.m. We often have soup with corn bread and fish or meat. We have mango juice, too – my favourite. Sometimes my mum makes *paisa* for dinner. *Paisa* is a special dish with rice, beef, beans and sausages. It's very tasty.

Mr. Smith's house has got four bedrooms, a living-room, a dining-room, a kitchen, a bathroom and a separate toilet. There is a toilet in the bathroom, too. The bedrooms and the bathroom are upstairs, and the living-room, the dining-room, the kitchen and the toilet are downstairs. The first bedroom is Mr. and Mrs. Smith's, the second one is Tom's, the third one is Mary's, and the fourth one is Anne's. There is a baby bed in Anne's bedroom too, but there is no baby living there. When you enter Mr. Smith's house, the room on the left is the living-room, and the room on the right is the dining-room. Where is the kitchen? It is behind the dining-room. And where is the toilet? It is straight on, in front of you. There is a garden behind the house, but it is not big. Is there a garden in front of the house, too? Yes, there is, but it is very small. When you go upstairs, Mr. and Mrs. Smith's bedroom is on the left. The bedroom on your right is Tom's, and the bathroom is between his bedroom and Mary's. Anne's bedroom is behind Mary's. **(Phải làm đề trắc nghiệm)**
