Q1. All small squares in each figure below are of side 1 cm. Find the perimeter.

| | |
|--|--|
| <p>1. Perimeter = _____</p>  | <p>2. Perimeter = _____</p>  |
| <p>3. Perimeter = _____</p>  | <p>4. Perimeter = _____</p>  |
| <p>5. Perimeter = _____</p>  | <p>6. Perimeter = _____</p>  |
| <p>7. Perimeter = _____</p>  | <p>8. Perimeter = _____</p>  |
| <p>9. Perimeter = _____</p>  | <p>10. Perimeter = _____</p>  |

Q2. Four square tiles, each of side 13 cm are used to make a bigger tile. Find the perimeter of the bigger tile.

Side of the bigger tile = _____ cm

Perimeter of square = _____ x _____ (Write formula)

= _____ x _____ (write numerals)

= _____ cm
