

1. Translate into English. Write the Past Simple form of the verb.

| <i>Latvian</i>  | <i>Present Simple</i> | <i>Past Simple</i> |
|-----------------|-----------------------|--------------------|
| kļūt            | become                | became             |
| mācīties        |                       |                    |
| gataŀot, taisīt |                       |                    |
| satikt          |                       |                    |
| lukt            |                       |                    |
| sacīt           |                       |                    |
| redzēt          |                       |                    |
| sūtīt           |                       |                    |
| dziedāt         |                       |                    |
| runāt           |                       |                    |
| ņemt            |                       |                    |
| teikt           |                       |                    |
| domāt           |                       |                    |
| uzvarēt         |                       |                    |
| rakstīt         |                       |                    |

2. Use words in the Past Simple from Task 1 and fill in the gaps.

Sarah \_\_\_\_\_ (**speak**) English yesterday.

My dad \_\_\_\_\_ (**win**) a competition last year.

My class \_\_\_\_\_ (**not sing**) a song.

My sister \_\_\_\_\_ (**not write**) her homework.

\_\_\_\_\_ you \_\_\_\_\_ breakfast yesterday? (**make**)

Who \_\_\_\_\_ you \_\_\_\_\_ in the concert? (**meet**)
