Zaryadye Park is a park in the centre of Moscow close to Red Square. It opened in September 2017. The name of the park comes from one of the

oldest Moscow districts, Zaryadye.

An international team of architects, engineers and designers created this public place. Here we can see nature and technology, history and modernity so close together.

There are many things to see. Ice Cave with minus temperature has the atmosphere of the Far North. The authors have created the building that takes atmosphere of the Par North. The authors have created the building that takes the visitors on a journey through ice and snow. Almost 70 tons of water were frozen to get a beautiful 7,5 cm ice covering on the walls. The *Underground Museum* tells about the history of the place. There was the first street in Moscow here in ancient times – Main street (Velikaya).

The educational centre *The Conservation Embassy* have many courses,

quests and workshops for everyone interested in history, art, technology, plants and animals.
