3. Complete the blog with the correct comparative adjective or using as ... as. (9 marks)

Life in space

Dec 12th **My routine**

The space station isn't [1] *as comfortable* **(comfortable)** as my home, but the view from the window is [2] *more interesting* **(interesting)**! Days are much [3] _____ **(short)** - the Sun rises every 45 minutes.

Micro gravity is a challenge! Everything is [4] _____ **(light)**, so objects float away. Washing is [5] _____ **(complicated)** and [6] _____ **(slow)** than on Earth. I exercise every day for two hours, because your muscles get [7] _____ **(weak)** in space. Food isn't [8] _____ **(tasty)** as on Earth and it floats around! But we enjoy eating together.

Our clothes don't get [9] _____ **(dirty)** as at home - we can wear the same shirt for 10 days! But when I go outside the station, I wear special space suits. They're much [10] _____ **(hot)** than ordinary clothes, and it's [11] _____ **(difficult)** to move. What do I miss most? My family!
