BEING A PILOT

Three pilots tell us about a day at work.

Heidi

My first flight is at one o'clock in the afternoon, so I don't get up until 8.30 a.m. I go for a run if I have time, have a shower and put on my uniform. I put all the food and water I need for the day in my flight bag and I leave the house on my bike. Sometimes I have a long flight, and I can't come home for two or three days, but I usually fly to Germany, Poland, the UK and France.

Name _____ Class _____ Date _____

Evan

I work for five days and then I don't work for four days after that. On work mornings, my alarm clock wakes me up at quarter to four. I drink a cup of tea in bed, have a shower and drive to the airport. I meet my team for the day, and then we fly two or sometimes three flights. I drive home at about three o'clock and I always feel really tired so I never stay up late in the evening after work.

Lucy

I leave home in the afternoon, about three hours before my 4.00 p.m. flight. I take the bus to the airport. Before I get on the plane, I meet my flight team, and we eat sandwiches while we talk. We fly all night, but I can sleep for about three hours on the plane. We arrive back here at 7.00 a.m. and I get home by taxi an hour later. I have breakfast, go to the gym, and then sleep before work.

For each question, choose the correct answer.
