No clouds / hours in my stones

Let it rain, I hydroplane in the bank

Comin' down at the Dow Jones

When the clouds come, we gone

We Rocafella

We fly higher than weather

In G5s or better

You know me

In anticipation for precipitation stack chips for the rainy / Jayme day

Rain Man is back with little Ms. Sunshine

Rihanna, where you at?

You have my art / heart, and we'll never be worlds apart

Maybe in magazines / fantasies, but you'll still be my star / guitar

Baby, 'cause in the dark

You can't see shiny arms / cars

And that's when you need me there

With you I'll always share

Because

When the sun / run shines, we'll shine together

Told you I'll be here forever

Said I'll always be your friend / bed

Took an oath, I'm a stick it out 'til the end

Now that it's raining more than ever

Know that we'll still have each other

You can stand under my paella / umbrella

You can stand under my umbrella, ella, ella, eh, eh, eh

Under my umbrella, ella, ella, eh, eh, eh

Under my umbrella, ella, ella, eh, eh, eh

Under my umbrella, ella, ella, eh, eh, eh, eh, eh, eh

These fancy things will never come in between

You're part of my entity, here for infinity

When the world has took its part

When the world has dealt its cards / yards

If the hand / land is hard, together we'll mend your heart

Because

…

Under my umbrella, ella, ella, eh, eh, eh, eh, eh, eh

You can run into my arms / charms

It's okay, don't be alarmed

Come into me

(There's no distance in between our love)

So go on and let the rain pour

I'll be all you need and more

Because

…

Under my umbrella, ella, ella, eh, eh, eh, eh, eh, eh

It's raining, raining

Ooh, baby, it's raining, raining

Baby, come into me

Come into me

It's raining, raining

Ooh, baby, it's raining, raining

You can always come into me

Come into me

It's pouring rain

It's pouring rain

Come into me

Come into me

It's pouring rain

It's pouring rain
